OPTIONAL ACCESSORIES

Skylight:

Translucent roof sheet available to permit daylight to the shed interior. Replaces one full width roof panel. Fits all APEX roofed sheds only.

Corner Shelves:

Galvanised shelves and supports supplied in kits of **one** or **three** shelves. Simple fitting. Provides a good level of storage space to help organise all those small items.

Rear Shelf Supports:

Long shelf support rails which support the 12mm thick MDF board/s supplied. Fits to the rear wall of the shed for spacious and secure shelving. Kit comprises parts for one or two levels of shelving.

Timber Floor Kit:

Illustrated made up. Comprises fully pressure impregnated half lapped boards and bearers. Nails for assembly, plus screws & washers to fix the shed's base rails to the top surface of the floor are included. (Pegs for securing to soil bases not included)

Hilti Kit:

Fits through pre-drilled holes in the base rail. Fix by simply hammering on the head of the drive screw. Kit supplied with masonry drill bit.

Openable Window:

3mm Styrene glazed sliding window. Can be fitted to any shed (except LOW 6x4 Pent). Approx. 615 W x 330 H mm. Kit supplied with cut-down wall panel
